Dear All Parents and Carers of the Children at Bluebell Primary School

We, the Governors of Bluebell Primary School, are writing to let you know what we have been doing as a team since we last wrote to you.

Firstly, we would like to take this opportunity to say thank you to you all who took part in the most recent parent surveys completed during parents evening at the school. We have now had the opportunity to review the survey and found on the whole it was very, very positive. All the feedback we get from you as parents is invaluable to us to help shape and drive our vision for Bluebell Primary School in the right direction.

Our vision can be found on the school website at [www.bluebell.norfolk.sch.uk](http://www.bluebell.norfolk.sch.uk) Please do have a look. You will find the website is absolutely packed with useful links and parent information, including useful dates for your diaries. We also now have a Twitter feed and Facebook page, so why not follow us and see what is going on.

Please join us in welcoming Mr Edward Holley and staff member Ms Julie Wicklund as new Governors to our team, they bring an abundance of energy and enthusiasm with the hope to make a difference and are committed to supporting all the children and staff at Bluebell Primary.

As governors we become involved with a variety of issues including finance, pupil welfare, staff appointments, health and safety, maintenance of buildings and grounds. However we consider our most important role is to monitor the education and wellbeing of the children. Governors are appointed to ensure that objectives are met and that planning for the future is both visionary and realistic. We are here to support and challenge the Head teacher and school personnel so that children have access to an enriched education and the opportunities they deserve.

Bluebell Primary School still has vacancies for parents to join the governing body. Being a governor can be very enjoyable and worthwhile. Excellent training programs are available to anyone wishing to take up this role. Everyone on the team is enthusiastic, wanting to make a difference and committed to supporting children. If you are interested in this and would like to know more, please do not hesitate to contact any of us or ask at the school office.

Lastly, we would like to wish you all a happy and restful Easter break and thank you for taking the time to read our letter. We look forward to seeing you in the school very soon.

Yours sincerely

Bluebell Primary School Governing Body
